

# ECAF Emergency Measure of Protection Order

[ To ELECTED EOS BLOCK PRODUCERS ] - ECAF Arbitrator Order # 2018-06-19-AO-001

2018-06-19 00:30 UTC

Pursuant to Section 3.5 of the EOS Core Arbitration Forum (ECAF) Rules of Dispute Resolution, "Emergency Measures," the Emergency Arbitrator (EA) appointed to review claims:

#ECAF00000023, -0078, -0079, -0080, and -0100

has reviewed them and finds credible evidence to support Emergency Measures of Protection for the Claimants.

Said emergency measures are:

- The refusal to process transactions of any kind for the affected EOS account names and/or public keys, pending further review of the claims by an Arbitrator.

---

**It is hereby ordered that the EOS Block Producers refuse to process transactions for the following accounts and keys indefinitely. (Until further official notice and instruction from the ECAF.)**

This Arbitrator Order is retroactive to the time(s) of the Block Producers' first actual refusal to process transactions for the listed EOS accounts and public keys.

The logic and reasoning<sup>1</sup> for this Order will be posted at a later date.
